RE: Word from our Loving Lord

Brothers Jimmy and Donnie,

Please understand that I am very aware ya'll get all kinds of words, and even generate them yourselves as you encourage yourselves. If you will please, pause and read the attached Word our Loving Lord gave you back in 1987. I sent it twice by FedEx to an associate who may have not given it to you despite his promise to do so. Now Kim has promised me she will give this to both of you, and I get the witness she will (God bless her!). So, if you read the '87 Word given months before your fall was made public, you will see that Lord also given a Word to Earl Paulk of Chapel Hill; regrettably Earl Paulk will probably be in hell. "Many will say, 'Lord, Lord' but I will tell them, 'Depart from Me, I never knew you.'" Lord has better for you! Rejoice ☺

If you read what LORD warned you and lovingly tried to entreat, so now again our Loving Lord has given me a vision and Word for you. Before I share the Word, our Lord gave me the Word before I received Focus on Family's pastoral ministry CD that dealt with restoration. Sorry he shared about you . . . but it only confirmed the Word our Lord has for you! I had no idea what you were doing in ministry at all and had to look you up. I do not know what you have been doing – you could have been selling cars for all I knew.

- gee whiz . . . I am listening to Donnie's sermon on Amazing Grace while typing what was handwritten, well trying to listen and I cannot believe what I am hearing. (Lord wants me to give you this Word so I still obey). Right, Jimmy, Lord really told you that everyone was supposed to have your Bible? (Lord help me obey You as I want to rebuke what seems more like peddling God's Word on the air waves and whining more than worship. Donnie screams as if angry more than having Love and grace empower words and flow through him.) Mr. Swaggart. please go back and reread the original Word Lord gave you and only when sincerely from the heart ready to receive this Word come back.

-----  
Mr. Swaggart, LORD gave me a vision of you. A flash image like dream of you. You were standing and I could only see your upper body dressed in a suit as you stood in a room that looked like a study where sermons would be prepared. You were broken hearted and almost despondent being trapped in the worldly consequences and judgment of your sins.

The new Word our Loving LORD has for you:

"My son, Jimmy Swaggart, hear the Word of your loving Lord and God. This day I am gifting you, as I did Nebuchadnezzar his kingdom, your ministry. I heard your heart's cry and saw your tears before you were judged for I am the Lord God Who works all for good.

Before you sought My anointing, but now you recognize Me. Rejoice that in your brokenness your sins and old carnal self are being broken off. You know the sins of your heart and pride and self and ego were much worse than the sexual sins.

Humbled as Nebuchadnezzar, if you will now this hour pick up your cross as much as you gloried in all your past ministry and school, etc. You will be like the rich young ruler making the right decision to love Me enough to sell all and follow Me. Obey My Spirit for am I not He Who delivered Joseph from jail? Am I not He who raised Lazarus from the dead? I am the Loving God Who restored My prophet David once My king was abiding in Me. Yes, Who I love I chasten. Therefore Rejoice and again I say Rejoice!

You trusted My anointing before, now trust Me, says your Lord. Jimmy Swaggart have you learned you are but a worm? Are you as strong willed in Lord's Love and humility as you were in self will? Numbers 11:23 is for you if you will believe and love Lord enough to obey and pick up your cross daily and follow Me. For it is not by might, nor by power, but by My Spirit says the Lord.

Now, I the Lord God, am orchestrating things for you if you will pick up your cross and follow Me as did the apostle Paul. Rejoice, again I say Rejoice! Simply first abide in Me and then humbly, as Moses, speak what I give you and be amazed at my love for you, says the Lord God of Israel. You need the heart of Moses in Numbers 23:11-23. The heart of Moses, who is humble and meek. Seek to abide in Me says the Lord and forsake the anointing.

Can you obey as Abraham and forsake all? Rename your ministry and give Me, the Lord God of Israel, the Lord Jesus Christ, the glory! Can you accept My cross? Receive My Love by My Spirit and as Lazarus, My Spirit will make you a living sign for salvation so all may know that indeed mercy triumphs over judgment. Can you obey as Abraham? Do you love Me? Who is Jimmy Swaggart but a worm? Who is your Lord God Who loves you so? If you know Me then obey Me so I can save the lost. Crucify yourself and give all to Me with a new name not of you and then you will know Me - as the rich young ruler was offered so I offer you. This is the Word of the Lord for you in response to your heart's cry and tears. I your LORD have sent you this Word as now you know it is Me in the secret place of your heart. Ha! Rejoice and be like a child to enter into My rest and allow Me to minister through you. Rejoice and rest in Me says the Lord.

-----

Jimmy Swaggart, I recommend you fast over this Word and ask Holy Spirit to empower you to obey. This is going to be huge if you can obey. As Jesus said, "Remember Lot's wife" so I ask you to reread the Word the Lord gave you in '87 and also to Earl Paulk.

Who am I to give such Words?! Forgive me but as an idiot can start a hundred ton crane or flip a 100,000 watt switch, so I have given you Lord's Word, again. Indeed if you will obey I know Loving LORD will transform you through His cross into a new man and make you a living sign that mercy triumphs over judgment so all can be saved who call on the Name of the Lord as Lord ministers Himself through you. Wow, I am so envious! You better not piss this blessing away as first Word, or be like the rich young ruler and go back to JSM (Just Selfish Memorabilia). Share this with your wife, Frances, if you are real and you two come into agreement as an example to others.

Sincerely,

Christopher M. Hunt

PS: Love to preach with you sometime! Let me know the new name of Lord's ministry so I can find the new you, LOL! Don't bother otherwise as I do not care to hear more braying of sheep preaching.

HE WAS EXPOSED  
PUBLICLY

Dear Pastor Swaggart,

Christ's ministry through you is truly inspiring to those of us entering into His harvest. Praise God for raising you up to proclaim His word. My sincere cry is for God to find others as dedicated (1 Cor. 4:15, Romans 15:1-14) as yourself to fulfill His last days call so that when He returns He can say that He did find faith on the earth. I am for you and am praying for you.

Please forgive me for this lengthy letter. I know you have very little time so I cut the following to the bone.

You conducted a rally in Atlanta I believe in '82. While there the Lord told me to go and give a prophecy at Pastor Earl Paulk's church Chapel Hill Harvester. The Lord basically said they were teaching false doctrine and were falling to the wayside. Unless they repented He was going to remove His anointing and they would have nothing more than emotional hype. I was not able to finish delivering His word before being called down and ushered out so I printed out the message on paper and put it on the windshields of cars in the parking lot. They called the police on me and I had a personal confrontation with Pastor Paulk. It was three years later I heard you had a private meeting with Pastor Paulk concerning the same issues. You can verify this

\*\*\*(THIS BREAK IN PHOTOCOPY OMITTS REST OF LETTER TO ITS END):\*\*\*

A direct word from the Lord for you He gave me as I was about to print this out:

"I am the Lord Who has called you and preferred you above others. I know your heart, and your pursuit of Me. Am not I He Who even now inclines your soul to myself. You are My sheep and you know My voice. Hear what the Lord your God has to say concerning you, My dearly beloved son. I will place on you no greater burden than you can bare. Do not fear or fret when I open your eyes to the harvest for it is I Who goes before you and the Lord God of Isreal Who is your rear guard. My yoke is easy and My burden is light. Know My hand will perform what My mouth has spoken, for I am God. Know that you stand on Nebuchadnezzar's porch and My Spirit is telling you to cry as Moses did, "These are Your people, oh God. I did not deliver them with a mighty hand as You did, I am but Your servant." It is your responsibility to proclaim My word. It is My work to perform the harvest. Therefore take no other burden upon yourself than to love mercy, do justly, and walk humbly with Me. For when you dwell in Me and I dwell in you, all things are possible. All else is Martha's distraction and seeking of self glory. Give Me your ministry, your school, your glory. Who is Jimmy Swaggart but a worm? Yet see the love I have bestowed upon you to call you My Son. It is My sword and fire that is refining you. Seek first My kingdom and righteousness and all else will be added unto you. Allow My Spirit to carry you by your first love and as I raised My Son I will, as even this very moment, breath new life into you. Be strengthened, be encouraged. Know that I am with you. Abide in Me and speak the words I give you and the vision will be
